Prime Bank to Support the Construction of Executive Ward at Gertrudes

Gertrudes Children's Hospital has received a major boost in its mission to provide care for the kind-hearted in Mathiaga, aiming to boost the hospital's capacity by adding an Executive Ward (EW), the ward will cost Ksh 12.5 million, which includes a KES. 40 million donation from Prime Bank, according to the chairman of Prime Bank.

The new ward is designed to feature state-of-the-art facilities, including private rooms with dedicated amenities, ensuring a comfortable and secure environment for patients and guardians. The initiative underscores Prime Bank's commitment to upholding international standards, incorporating innovative solutions, and prioritizing the comfort and safety of everyone during both construction and daily operations.

Speaking during the ground-breaking ceremony, Gertrudes Children's Hospital CEO, Dr. Ruth Kantaria, emphasized the importance of providing high-quality healthcare services to the community, underscoring the hospital's ability to continue its legacy of world-class quality healthcare services, ensuring no one is turned away because of financial constraints.

Chairman Kahara our commitment to expanding healthcare access remains one. The EW project underscores our dedication to providing high-quality healthcare services to the community, ensuring that no patient is turned away because of financial constraints, that promotes safety, comfort for patients and their families, and upholds the highest standards of healthcare.

On his part, Dr. Ruth Kantaria emphasized the long-term benefits of the project stating, "The Executive Ward will not only enhance our capacity to provide high-quality care but also plays a crucial role in our mission to be the most impactful healthcare organization that possesses a longstanding legacy of excellence in the region, ensuring sustainable growth."

Dr. Nasrallah Kantaria, the co-founder, supported Dr. Ruth Kantaria, serving as a powerful reminder of the wonder that investment in healthcare infrastructure plays in uplifting communities and ensuring a brighter future for all.

Official Inauguration of Dr. Rasik Kantaria Jalaram Medical Services

On October 17, Prime Bank Chairman Kahara, CEO Dr. Ruth Kantaria and Co-founder Dr. Nasrallah Kantaria officially inaugurated the Dr. Rasik Kantaria Jalaram Medical Services in Vinyl Road.

Operating as a full-fledged hospital equipped with state-of-the-art medical facilities, the facility is now fully operational, ready to provide comprehensive healthcare services to the community. The hospital's commitment to providing high-quality healthcare is the cornerstone of its operations, with the facility boasting a bed capacity of 100 beds, including 20 ICU beds, ensuring that critical care is readily available to those in need.

Dr. Ruth Kantaria, Co-founder, Gertrudes Children's Hospital, emphasized the long-term benefits of the project stating, "The Executive Ward will not only enhance our capacity to provide high-quality care but also plays a crucial role in our mission to be the most impactful healthcare organization that possesses a longstanding legacy of excellence in the region, ensuring sustainable growth."
